

WISSEM JEMEI

Junior Full-Stack Mobile Developer

@ jemeiwissem@gmail.com <https://www.linkedin.com/in/jemei-wissem> Kasserine, Tunisia

EXPERIENCE

Java Developer

ISSET Kasserine 02/2024 - 03/2024 Kasserine, Tunisia
Institute of Technological Studies

- Create a desktop app for interns management
- Design the GUI with FXML using Scene builder
- Develop the backend with pure java and MySQL
- Integrating CSV file manipulation

Database Manager Assistant

Magazin Général Kasserine
07/2024 - 08/2024 Kasserine, Tunisia
Supermarket

- Assisted in updating product information, pricing, and stock levels in the system
- Performed basic data entry and checks to keep records accurate and up to date
- Supported inventory tracking by helping identify differences between system data and actual stock
- Learned and used internal tools for managing product and inventory data

Mobile Application Developer

ISSET Kasserine 02/2025 - 05/2025 Kasserine, Tunisia
Institute of Technological Studies

- Designed and Coded a modern mobile app UI
- Used Feature based folder structure to help making future updates easier
- learned and applied atomic architecture to make some components re-usable in multiple screens in the app preventing coding it again each time
- used modern and optimised state management libraries to speed up the development time

Backend Java Developer

AI-Idafa 06/2025 - 08/2025 Kasserine, Tunisia
Web Solutions Development Startup

- Helped designing and well structuring APIs
- Coded and developed a seamless and a scalable backend application that could handle at least 100 requests daily without any problem
- Used JWT and Role-based authentication and authorization using Spring Security

EDUCATION

Baccalaureate of Technical Sciences

Emtiez Secondary School 09/2021 - 06/2022

Bachelor of Information Systems Development

ISSET Kasserine 09/2022 - 06/2025
